Ms. Dorothy Graham
Graham Family Foundation
544 61st Street
Oakland, CA 94609

Dear Ms. Graham:

I am writing to thank you for your foundation's truly generous 2011 contribution of \$8,000 to the Anti-Defamation League in support of our No Place For Hate education programs. Your support of ADL's mission to fight anti-Semitism and all forms of hate is deeply appreciated and significantly advances ADL's ongoing efforts nationally and globally to secure justice and fair treatment for all.

After more than 98 years, ADL continues its work on many fronts, facing fresh challenges both domestically and internationally. Chief among these is the spread of hate messages on the Internet and the new threat to our young people posed by cyberbullying. ADL has developed and is implementing education programs to help schools, parents and communities effectively intervene. In addition, our award-winning online program, *Making Diversity Count*, is advancing ADL into the 21st Century with anti-bias training designed to empower the next generation of Americans to protect the values of a humane and civil society.

ADL continues to strengthen its civil rights, international affairs and interfaith initiatives with the goal of protecting democracy and building bridges of understanding among all peoples. We persevere in addressing threats to Israel's existence and continually monitor the Internet for anti-Semitic and extremist activity.

We could not be successful without you. Let me assure you once again how grateful I am for your support.

Sincerely,

A handwritten signature in black ink, appearing to read "Abraham H. Foxman".
