Dear Dorothy,

On behalf of the Anti-Defamation League – Central Pacific Region, please accept our sincere thanks for your generous gift of \$20,000, check #259 from the Graham Family Foundation received on April 3, 2014.

Based on your grant guidelines, funding from the Graham Family Foundation will be used to support A WORLD OF DIFFERENCE® Institute anti-bias trainings and workshops for students, teachers and staff at non-charter, public schools in the Bay Area serving low-income communities. ADL will acknowledge the gift on workshop materials and announcements as “In Memory of Victor and Olga Graham”.

Thanks to you, and donors like you, ADL continues to offer interactive programs that utilize a variety of training modalities, including small and large group discussions, case studies, video presentations and collaborative problem-solving. As a result of taking part in ADL anti-bias workshops, participants will increase their capacity to interact across different cultures, develop and put into practice skills to confront bias and discrimination in themselves and in others, and most importantly, have the capacity to create and sustain environments that are equitable and respectful. Our school partners will not only Imagine a World Without Hate, but move toward creating one.

We are grateful for the continued support of the Graham Family Foundation.

Sincerely,

Seth Brysk
