Dear Dorothy:

I hope this finds you and your loved ones well and in good health. On behalf of all of us at ADL, thank you for the trust and confidence of the Graham Family Foundation. We are grateful for the grant of \$25,000 to ADL Central Pacific, which we received on April 1, 2020, in support of public schools in need, the first in a three-year commitment from your foundation, per the details in agreement signed in March.

At ADL we confront bias and bigotry wherever it is found. We do this through a strong network of 25 regional offices and through programs and advocacy in the United States, Europe and Israel. ADL staff is focused on building intergroup and interfaith coalitions; engaging elected officials and local authorities; and working in schools, businesses and anywhere that prejudice appears.

Please do not hesitate to reach out with any questions or thoughts to share. These are complex and challenging times, and we will continue to stand up against antisemitism and extremism. I know we couldn't do this work without you alongside us.

Take care and be well,
