Dear Ms. Graham,

This letter is to acknowledge, and express our gratitude to the Graham Family Foundation's for the donation of \$2,500 to support the Center for Health Career Development's *2010 Summer Health Career Enrichment Institute*. This donation represents the Graham Family Foundation's continued support and recognition of services that will improve the health, social, educational, and well-being of disadvantaged youth.

Your generous contribution has enabled us to continue to provide \$500 stipends to all of our 25 students who are participating in the Summer Institute this year. As you know, most summer youth training, development and educational programs that are designed to serve youth from low-income families provide student stipends. If stipends were not available, students' need for summer employment would preclude them from participating in the program.

Thank you so much for your generous contribution and for your interest in helping disadvantaged youth.

Sincerely yours,

Carl N. Lester, MPH
Director

Dear Ms. Graham:

This letter is to acknowledge and express our gratitude to the Graham Family Foundation for the recent \$1,424.00 donation.

The donation enabled us to provide educational supplies and transportation to take 37 high school students in July- August 2010, on several health career-related and community service field trips throughout the East Bay. These trips included: the Alameda County Environmental Health Service in Alameda; Alzheimer's Services of the East Bay – Oakland; Fairmount Hospital in San Leandro; and, to Save the Bay activities at Martin Luther King Shoreline.

Thank you so much for your support, interest, and recognition of services that will improve the health, social, and educational well-being of disadvantaged youth.

Sincerely yours,

Carl N. Lester, MPH
