Dear Dorothy,

I would like to express my deepest gratitude for your contribution of \$25,000 made on August 22, 2019 to support the Lymphoid Malignancy Research Fund within the Department of Medicine at Columbia University Irving Medical Center.

Your generous gift supports clinical and research activities within the Center for Lymphoid Malignancies at CUIMC, a unique practice devoted to the cure and management of Hodgkin's Lymphoma and non-Hodgkin's Lymphoma. Our mission is to develop novel therapies and improve the outcome of patients with lymphoma and other hematological cancers.

With your help, our vision to improve the lives of patients confronted by these challenging cancers is within reach.

Sincerely,
