Dear Dorothy,

On behalf of the public school students and teachers who will ultimately benefit from your generosity, please accept our deepest appreciation for your gift of \$10,000 (received on August 12, 2010). These funds will be placed in your account and allocated for a Double Your Impact offer for projects hand-selected by you. The Foundation's gift will impact hundreds of public school students and provide thousands of hours of innovative learning time for students who would otherwise "go without."

As you know, DonorsChoose.org is a nonprofit organization dedicated to leveling the playing field for all students from public schools across the country. In public schools, where budgets are stretched to the very limit, teachers often must work without the resources needed to implement innovative and meaningful lessons for their students. With the help of our network of Citizen Philanthropists and incredibly generous donors like The Graham Family Foundation, we hope to bear some of that burden for public school teachers and to bring creative learning opportunities to all students.

I look forward working with you over the coming year as we partner to increase the scope and breadth of our impact for public school students.

Sincerely,

Candice Chesson Jimenez
