Ms. Graham:

Thank you for your investment of \$15,000.00 to support public schools through DonorsChoose.org. Your generous partnership is critical in our efforts to help ensure that local classrooms have the resources they need to make learning fun and meaningful.

Since our inception in 2000, teachers across the country have used DonorsChoose.org to improve the learning experience for over 10 million of our students. This impact is all thanks to partners like you.

Please use this thank you note as confirmation of receipt of your donation on December 16, 2013. We appreciate your commitment to helping public school children succeed and your assistance in making DonorsChoose.org a force for change in public schools.
