Dear Dorothy,

Thank you for your contribution of \$4,000 to East Bay College Fund for 2010. Your generosity enables us to fulfill our mission of providing four-year college scholarships and mentoring support to East Bay scholars. For tax reporting purposes, this letter affirms that no goods or services were provided to you in return for this payment.

Here is a quick update on our activities:

We have provided a total of one hundred and twenty-five \$16,000 scholarships to outstanding students from Oakland and Emeryville public high schools since our inception in 2003.

We continue to consider mentoring a critical component of our scholarships. In addition to fundraising and mentoring, we are working hard to spread the word about East Bay College Fund.

Community support of East Bay College Fund has been incredible to-date. We continue to need help to achieve our aggressive long-term goals. In addition to your generous financial support, there are several ways you can help us:

- Tell a friend or colleague about East Bay College Fund
- Refer a potential mentor to us
- Ask about our volunteer opportunities

Together we are helping East Bay youth succeed in college and expand their life opportunities. Thank you again for your support.

Sincerely,

Andy Fremder
President
