Dear Dorothy,

On behalf of LifeLong Medical Care, please accept our warmest thanks for your recent gift of \$7,000 to the Graham Fund. Your continuous support of the services we provide to seniors means a great deal to us and your continued generosity to LifeLong will serve as a lasting tribute to your mother.

One of the benefactors of the Graham Fund recently received a new walker, and now has "a new sense of freedom" and can "go places she had not been able to go". She usually drives with her daughter to the store and waits in car, but the first day she had her walker she was getting out of the car to go into the drugstore with her daughter. Her daughter said, "What are you doing?" and she said "I am coming inside with you!" This is just one example of the many lives that the Graham Fund has helped.

I hope you'll be inspired by the knowledge that with this, and all your other contributions, you have made a visible difference in our community.

Sincerely,

Marty Lynch
Executive Director / CEO
