Dear Ms. Graham and Mr. Straesser,

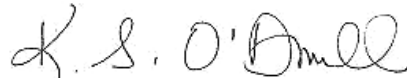

We are sincerely grateful for your recent gift in support of LifeLong Medical Care. Your gift of \$20,000.00 will directly support our Home Care Respite program that will serve frail adults and their families within Alameda County.

A home care agency, along with our Care Transitions Nurse will be able to help support and enhance the quality of life for our patients who are transitioning out of hospitals and/or are in need of additional care and services.

Without your compassion and the generosity of your contributions, we wouldn't be able to continue to respond to the ever growing need for providing medical and social services. We are very appreciative of your support in this endeavor.

We will provide you with a formal acknowledgement from Marty when he returns to LifeLong in a couple of weeks. Please note, we have processed your donation through our accounting department. Again, thank you for your generosity to LifeLong Medical Care. It is a real pleasure working with you in this great effort of providing a vital service that ultimately helps people and their families.

Sincerely,

Katherine S. O'Donnell  
Development Director
