Dear Dorothy,

We are deeply grateful for your sustained giving to LifeLong Medical Care. Your \$20,000 Graham Respite Care Fund gift gives much needed relief to caregivers from the emotional and physical toll that seemingly endless hours of caring for their loved ones can take.

Compassion and generosity like yours are essential to enabling LifeLong to respond to the ever growing need for our medical, behavioral health, dental, and social services, particularly for some of our most vulnerable seniors at risk of institutionalization. We appreciate of your support in this endeavor.

During the COVID-19 pandemic, your partnership is protecting our most vulnerable LifeLong patients from entering a nurse care facility and assisting their primary caregivers to keep them living safely and independently in their homes!

Sincerely,

David B. Vliet
