Dear Dorothy,

Please accept my warmest thanks for your recent gifts of \$ 2500 to the Graham Fund at our Over 60 Health Center and East Oakland Clinic and \$5556.95 in support of the purchase of a fully mobile exam chair which will serve as a lasting tribute to your mother.

The Graham Fund continues to help improve the quality of life and independence of severely low-income elderly patients. The benefactors of the Graham Fund have received vital medical equipment and transportation services not covered by any other source. LifeLong is deeply grateful for this support.

Your generous support will ensure that we can continue helping our community members most in need, for the remainder of this year.

Have a wonderful summer, knowing that you have made a visible difference in your community. Together, we will continue to improve access to care for the most vulnerable population.

We regard you as a member of our LifeLong family, and thank you for your generosity.

Sincerely,

Marty Lynch
CEO

Thank you, Dorothy, always! You are great!
Marty
