Dear Dorothy,

Your continuous support throughout the years means a great deal to us! On behalf of LifeLong, I want to genuinely thank you for your generous \$5,000.00 gift towards the Graham Family Fund. For years this fund has been enhancing the lives of the elderly in our community. Your generosity continues to allow our social services team to address the medical-related needs of our patients and provide them with the financial assistance they need.

I wanted to also thank you again for your generous donation and challenge grant for the exam table at the Over 60 Clinic. We hope that you can make time to come by the clinic and view the donation and the plaque honoring your mother.

It was very special to see a copy of her original letter to me.

Thank you for sending that.

We are grateful that you have continued and expanded your family philanthropy for the benefit of our senior citizens.

Sincerely,

Marty Lynch
Executive Director/CEO

(In accordance with IRS regulations, we acknowledge that no goods or services were received by you for this contribution. LifeLong Medical Care's tax identification number is 94-2502308. Please keep this letter as a receipt for your tax records.)

*Dorothy, I hope as always,
I expect you digging up that
letter to see Mom from us
longer.*

*Hope you see
with Appreciation*

Dear Ms. Graham:

Your partnership means a great deal! On behalf of LifeLong Medical Care, I would like to express our heartfelt appreciation for your thoughtful and generous gift of \$10,000.00 for the Senior Dental Fund. As you know dental services have been hit very hard with the budget cuts and LifeLong's Dental Clinic has been working hard to deliver care to as many patients as possible. We understand that dental care is a powerful predictor of overall health, and I thank you for your commitment to this.

With your support, LifeLong will continue fulfilling our mission of providing comprehensive high-quality care, serving families, the elderly, and people with disabilities.

Your compassion and generosity are essential elements that help LifeLong enact bigger changes. Last year, we were able serve over 20,728 people at our clinics, the majority with little or no insurance, a significant increase over the year before. This indicates that we're succeeding in our efforts to increase access to health care, and we are very appreciative of your support in this endeavor. Thank you again for making a visible difference in this community.

Sincerely,

Marty Lynch
Executive Director/CEO

*Dorothy
Thank you for ALL
I with memory of your name
Marty*
