Dear Dorothy,

On behalf of LifeLong Medical Care, please accept my thanks for your recent gift of \$5,000.00 in support of the services we provide to the uninsured and underserved in Alameda County. Your long-standing relationship with LifeLong is highly valued, and your generosity over the years has made a visible difference in this community.

Generous donors like you help support the LifeLong mission to provide high-quality health and social services to underserved people of all ages, create models of care for the elderly and people with disabilities, and advocate for continuous improvement in the health of the communities we serve.

Again, your generosity to LifeLong Medical Care is greatly appreciated, especially considering our uncertain economy and tough financial times. LifeLong serves as a safety net to those members of our community who have the greatest need, and we thank you for choosing to support our valuable services .

Sincerely,

Marty Lynch
Executive Director

Dear Dorothy,

On behalf of LifeLong Medical Care, please accept my warmest thanks for your recent gift of \$1,800. Your continuous support of the services we provide means more to us than ever and your generosity to LifeLong will serve as a lasting tribute to your mother.

For over a decade the Graham Fund has helped improve the quality of life and independence of severely low-income patients of the Over 60 Health Center. The benefactors of the Graham Fund have received vital medical equipment and transportation services not covered by any other source.

I also wanted to thank you for your interest in the establishment of a dental fund. By creating a dental fund we will be able to offset the cost of dental for those individuals losing medical coverage as a result of the state budget cuts.

I hope you'll be inspired by the knowledge that with this contribution, you have made a visible difference in your community.

Sincerely,

Marty Lynch
Executive Director
