Dear Dorothy,

Thank you for your generous donation of \$13,000. You clearly understand and strengthen our mission—to highlight communities working together to stop hate. Because of you, Not In Our Town is expanding in response to national demand, welcoming more leaders, groups and schools every day.

Now more than award winning films, we are a national resource for individuals and entire communities willing to stand up against hate. Together, no one faces injustice alone. Together, we heal. We find courage. We act. We live the message—Stop Hate. Together.

We value your leadership and invite you to visit, call, and contribute your ideas to further our mission. For your records, your donation is fully tax-deductible. **Our federal ID number is 94-3082546.**

Again, we greatly appreciate your support and thank you for your role in our continued success.

Sincerely,

A handwritten signature in black ink, appearing to read 'Patrice O'Neill', is written over a large, light-colored circular scribble.
