Dear Dorothy Graham,

We have greatly appreciated the Graham Family Foundation's generous donation of \$10,400 for the production of an elementary film. We are filming this week. Your grant has allowed us to create this badly needed elementary-level film on the importance of being an upstander. This will allow us to provide support to younger students in elementary schools

At this time, we would like to request additional funding to complete the lesson plan and activity guide to accompany the film. I have attached a project description and budget for that part of the project.

For your records, the donation is fully tax-deductible and our federal ID number is 94-3082546.

Again, we greatly appreciate your support and thank you for your role in our continued success.

Sincerely,
