Dear Dorothy,

On behalf of our board and staff, I want to thank you for your generous grant of \$15,000.00 to support The Working Group/Not In Our Town. We are excited to begin a new year and your generosity makes us hopeful for what's to come in building inclusive communities.

2020 was rife with uncertainty and while 2021 will have its own challenges in bridging divides, your support helps us endure the difficulties of 2020 and start this new year with hope.

We are so grateful to people like you who allow us to pursue and develop partnerships and collaborations to address the hate and polarization that have steadily been on the rise. Your donation will enable us to train and guide schools in addressing racism, hate, and intolerance and build safe school environments.

Thank you for your gift and for giving meaning to our message: **We Can Stop Hate, Together.**

Your donation is tax deductible. No goods or services were received in association with this gift. The federal identification number for The Working Group/Not In Our Town is 94-3082546.

With gratitude,
