Dear Ms. Graham:

Thank you so much for your grant of \$10,000 for the Seniors for Seniors program. As set forth in the proposal we sent you, up to \$2,500 of this grant will be used for transportation of seniors with their pets to our facilities for medical care, \$2,500 will be used for advertising, and the remainder will be used to create the Olga Graham Fund which will be used to help pay for diagnostic services for pets owned by low-income pet owners who are participants in the Seniors for Seniors program.

As you requested, we will provide you with semi-annual reports and information as to how we will acknowledge this gift in memory of your mother in our written materials, website or other formats.

Our tax id number is 11-1666852. I have enclosed a copy of our letter of exemption. No goods or services were provided by North Shore Animal League America in connection with this contribution.

Thank you again. You have made a substantial contribution to our Seniors for Seniors program. It is truly a testament to your love for your mother.

Very truly yours,
