Dear Dorothy:

Thank you very much for your donation of \$17,500, made through the Graham Family Foundation.

This contribution will provide \$10,000 in direct assistance to seniors in financial need to ensure that their beloved cat or dog receives needed medical care.

In addition, \$7,500 will be allocated to market the Seniors for Seniors program so that we can increase the number of annual adoptions.

On behalf of all of us at North Shore Animal League America, your generous and loyal support is very much appreciated.

Sincerely,

Ivan Helfand
