Dear Dorothy,

Thank you and the Graham Family Foundation for your 2021 grant of \$30,000.00 for Pets Are Wonderful Support, a program of Shanti Project. We are honored by your continued partnership and incredibly grateful for the increased grant award this year.

We believe no person should have to make the difficult choice of caring for themselves or caring for their pet. Thanks to your support, our clients won't have to. Your grant enables PAWS to provide the resources our clients need to keep their pets and keep them healthy and happy—including pet food and supplies, veterinary care, and pet support services.

On behalf of our clients, thank you again for your partnership.

In gratitude,

Kaushik Roy
Executive Director
