Dear Dorothy and Richard,

Thank you for the generous contribution of \$25,000.00 from the Graham Family Foundation to Expect Miracles Foundation in support of The Samfund's COVID-19 Emergency Fund, made on April 3, 2020. This donation will make a real and lasting impact on the lives of young adult cancer survivors and their families.

For almost two decades, Samfund grants have supported young adults in their financial recovery from cancer. Now, the growing pandemic threatens to destroy any financial stability they have established. Through this new program, we are providing one-time rent/mortgage payments to ensure that young adults and their families are able to stay in their homes and more easily afford food and other necessities. Thank you for so quickly stepping up to help us with this effort and for your continued commitment to supporting this population.

Your donation will be allocated towards The Samfund COVID-19 Emergency Fund for young adult cancer survivors. If you have any questions or would like to discuss this further, please let us know so that we can use your donation in the manner in which you expect. You can reach us anytime at the contact information listed below.

Thank you again for your generosity and continued partnership.

Sincerely,
