Dear Dorothy,

We are so grateful for the continued partnership of the Graham Family Foundation. Thank you so much for awarding us another grant. As we discussed, these funds will be used to help young adult survivors of Hodgkins Lymphoma recover financially from cancer. As we finalize the awards for the Fall 2018 grant cycle, we will provide you with detailed information about each recipient, the purpose of the grant, and the date on which payment is made. We will also share with grant recipients the expectation that they will provide feedback on the impact of their grant no later than 60 days after the last payment is made. If we are unable to utilize the full \$16,000 in this cycle, we will reserve the remaining funds in Spring 2019.

Jacqueline is one of the many young adults whose lives have been changed for the better because of your support. She recently wrote:

"This three months of support has lifted such a burden. I've been able to stop worrying about how I will cover all of my bills with my disability insurance and whatever fluctuating part-time income I might be able to bring in. I have been able to focus on doing what I can in the present and remaining hopeful for what the future might bring. It's so wonderful to be able to move into a better frame of mind because I'm not constantly thinking about bills."

Thank you for continuing to believe in our mission. We are honored to award these additional grants to survivors of Hodgkins Lymphoma and grateful to you for making it possible.

All my best,

Samantha Eisenstein Watson
