Dear Dorothy,

It is an exciting time at The Samfund. We recently launched a second grant cycle, published our first paper in a peer-reviewed journal, and are developing new programs and support for young adult cancer survivors across the country. Your generosity has helped to make all of this possible and we are incredibly grateful for your continued partnership.

Thank you for awarding us a grant in the amount of \$8,000 from the Graham Family Foundation. As we discussed, these funds will be awarded this Spring, through our grants program, to vetted applicants who are survivors of Hodgkins Lymphoma. If any unused funds remain, we will keep them for use in the Fall 2016 grant cycle.

It is because of our partners and supporters that The Samfund has now awarded more than \$1,500,000 to survivors across the country since 2005. Thank you for being part of this journey with us and for your continued commitment to helping young adult survivors recover from the financial impact of cancer. We are incredibly grateful for your support and look forward to a long and meaningful relationship with you and your family.

All my best,

Samantha Eisenstein Watson  
CEO and Founder
