Dear Dorothy,

Thank you for your generous contribution of \$40,000.00 to Expect Miracles Foundation in support of The Samfund's COVID-19 Emergency Fund, made on September 25, 2020. Your donation will make a real and lasting impact on the lives of young adults who are struggling to overcome the dual financial challenges of cancer and COVID-19.

As we discussed, these funds will be used exclusively for rent and mortgage payments to help young adult survivors stay in their homes. Once the funds are awarded, we will provide you with detailed information about each recipient, the purpose of the grant, and the date on which payment is made. We will also share with grant recipients the expectation that they will provide feedback on the impact of their grant no later than 90 days after the payment is made.

If you have any questions or would like to discuss this further, please let us know so that we can use your donation in the manner in which you expect. You can reach me anytime at the contact information listed below.

Thank you again for your generosity and support! We are so grateful for your continued trust and partnership, and are honored to do this important work with you and Rich.

Sincerely,

A handwritten signature in cursive script that reads "Samantha Watson".
