Dear Ms. Graham,

We received the generous \$18,000 grant from the Graham Family Foundation for the Southern Poverty Law Center on 5/31/18. We deeply appreciate this special contribution for our work fighting for children's rights in the Deep South.

Through your support for data analysis, we are building comprehensive campaigns to stop the school to prison pipeline, litigating against the worst school districts, and working on legislative advocacy to limit or end corporal punishment and exclusionary discipline.

You have our deepest gratitude for your generosity and your partnership in this important work.

Sincerely,
