Dear Dorothy,

We are deeply grateful for your sustained giving to LifeLong Medical Care. Your **\$20,000 Graham Respite Care Fund** gift gives much needed relief to caregivers from the emotional and physical toll that endless hours of caring for their loved ones can take.

Compassion and generosity like yours are essential for LifeLong to respond to the ever-increasing need of medical, behavioral health, dental, and social services specifically for some of our most vulnerable seniors at risk of institutionalization. We continue to appreciate of your support in this endeavor.

During the COVID-19 pandemic, your partnership protects our most vulnerable LifeLong patients from entering a nurse care facility while assisting their primary caregivers to keep them living safely and independently in their homes!

Sincerely,

David B. Vliet
