

More than 1,000,000  
lives saved to date.

North Shore Animal League America is proud to be the largest **no-kill** animal rescue and adoption organization in the world. Our goal is to help create a world in which all homeless pets are adopted and no more innocent Mutt-i-grees® (rescued or shelter pets) are unnecessarily euthanized.

## The Olga Graham Fund

Participants in the Seniors for Seniors Program who have limited income may qualify for assistance with their pets' medical care through a grant from The Olga Graham Fund. Pet owners must meet Animal League America's guidelines for eligibility and, because funds may be limited, will be chosen on a first-come first-served basis.

## Senior Pets

As the world's largest no-kill animal rescue and adoption organization, we believe passionately that every animal deserves a full life in a loving home. Sadly, adult pets are all too often over-looked in favor of cute puppies and kittens, but people forget that adult pets:

- ◆ Are past the chewing and teething stage
- ◆ Are often housebroken or more easily trained
- ◆ Are usually litter and scratching post trained
- ◆ Often don't require as much exercise (and keep in mind that adult cats don't need to be walked!)
- ◆ Are calmer, with established personalities and temperaments
- ◆ Tend to sleep through the night
- ◆ Are already vaccinated
- ◆ Need and deserve a family to love!

## Senior Adopters

Studies have shown that having pets at home can have profoundly positive effects on the overall health of people over 60. The love and affection of an adult pet may help to decrease heart disease, stress, and depression and increase physical exercise and opportunities for socialization. And, of course, pets provide companionship and company as well as unconditional love and joy!

## Let Us Help You Find The Perfect Companion

Through the Seniors for Seniors Program, thousands of individuals have opened their hearts and homes to an adult dog or cat and forged a special bond with a new best friend. Our adoption counselors will work with you to find the pet that perfectly matches your lifestyle. Contact us today at 516.883.7900 or email us at [SeniorsForSeniors@animalleague.org](mailto:SeniorsForSeniors@animalleague.org). Our counselors can help guide you through the adoption center and introduce you to any number of potential companions until you find the right adult cat or dog to bring home.
