Graham Family Foundation

Dear Dorothy,

Thank you for your generous contribution of \$50,000.00 from the Graham Family Foundation to Expect Miracles Foundation in support of Samfund grants for young adult cancer survivors, made on February 24, 2022.

As we discussed, these funds will be used to help young adult survivors of Hodgkin's Lymphoma recover financially from cancer. As we finalize the awards for the Spring 2022 grant cycle, we will provide you with detailed information about each recipient, the purpose of the grant, and the date on which payment is made. We will also share with grant recipients the expectation that they will provide feedback on the impact of their grant no later than 90 days after the last payment is made. If we are unable to utilize the full \$50,000 in this cycle, we will reserve the remaining funds for the grant cycle in Fall 2022.

Thank you for continuing to believe in our mission. We are honored to award these additional grants to survivors of Hodgkin's Lymphoma and grateful to you for making it possible.

All our best,
