Dear Dorothy,

We are very grateful for your ongoing support to LifeLong Medical Care! Your contribution of \$15,500 to both the Graham Respite Fund and the Victor E. Graham Memorial Fund enables our senior patients to receive two unique services that keep them safe in the comfort of their own home.

We are appreciative of your vision and continual understanding in keeping our most vulnerable seniors in their homes and away from institutionalized care. This vision gives our providers more tools to support independent living without isolation to our patients.

Your ongoing partnership in this great effort to provide essential healthcare to all, especially the most vulnerable among us, is helping LifeLong to provide an invaluable service that is helping to save lives!

Sincerely,

David B. Vliet
CEO
