Dear Graham Family Foundation,

Thank you for your \$35,000 donation directed to our PAWS program at Shanti Project. For more than 50 years, Shanti has empowered members of our community to be the difference between zero and one – the difference between facing life's most difficult challenges alone or with one person by your side.

Every year, Shanti helps more than 2,000 individuals and families receive the support and services they need. We provide care navigation, peer support, and wellness services to community members with limited resources. This commitment to our community began in 1974, and since this time, Shanti has served more than 100,000 individuals, provided 500,000 hours of care to people and their animal companions, and dedicated more than 750,000 hours of service from compassionate volunteers.

We could not do support our community without the generous support of donors like you. Your support helps ensure that Shanti can respond each time we are called upon by the community to help our neighbors in need. Whether we are accompanying someone to a medical appointment, helping them receive care for their animal companion, or hosting a wellness class for seniors, Shanti's services are supported by the generosity of our donors.

Thank you for your generous support.

In gratitude,

Kimberly Scrafano
